WITH GRATITUDE AND APPRECIATION

STATE OF NEW HAMPSHIRE
TOWN WARRANT
HANCOCK NH

To the Inhabitants of the Town of Hancock, in the County of Hillsborough in said State qualified to vote in Town Affairs: You are hereby notified to meet at the FIRE STATION in said Hancock on Tuesday, the fourteenth day of March next at eight of the clock in the forenoon until seven of the clock in the evening, for ballot voting of Town officers and all other matters requiring ballot vote; and, to meet at said FIRE STATION in said Hancock, on Saturday, the eighteenth day of March next at nine of the clock in the morning, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the town will adopt Amendment No. 1 as proposed by the Hancock Planning Board as follows:
a. To Article III., delete the present definition of Home Occupation and add: Home Occupation, means any business activity carried out by a resident as an accessory use in or from the resident's dwelling unit or in an existing accessory structure which meets the conditions listed in Article V.(3).
b. To Article III. add: Home Based Business, means any business activity carried out by a resident as an accessory use in or from the resident's dwelling unit or other accessory structures, which fails to meet any of the conditions for a home occupation, but is permitted as a special exception by the ZBA as a reasonable use in keeping with the permitted uses of the respective zoning district, within the limits listed in Article XII.(C).
c. To Article V. Delete #3 and replace with the following wording Home Occupations are permitted in the Residential District. No special exceptions or other approval shall be required for those home occupations which meet the conditions listed below. 1. There shall be no changes in the exterior appearance of the buildings which alter the residential character of the dwelling unit or accessory structure. 2. The occupation shall take place in or from the resident's dwelling unit and /or one existing accessory structure. Trailers may not be used for the home occupation other than a mobile home being used as a primary residence. 3. The occupation shall be clearly incidental and secondary to the residential use of the property and shall not alter the general character of the neighborhood or materially reduce the value of any surrounding property. 4. The use shall not create electromagnetic or communications interference, sound, odor, vibrations, smoke, dust or light which are noticeable off the premises or have an adverse effect on the environment or any surrounding property. 5. The use shall not result in significant increases in the amount of type of traffic or parking requirements. 6. There shall be no window displays, no outdoor display of goods, no outdoor storage of materials or equipment, and no other characteristics or features normally associated with business or commercial use. 7. There shall be no signs of any kind identifying the use. 8. There shall be no employees or participants in the use who do not reside in the household. When the Selectmen determine that the conditions listed above may not have been satisfied, they shall provide written notice thereof to the resident, who shall file an appeal of such determination with the ZBA within 14 days following receipt of the Selectmen's notice. If no such appeal is filed, the resident shall cease operating the business until an appeal is subsequently filed.

d. To Article V. Add #4, Home Based Business may be permitted subject to the requirements and restrictions set forth in Article XII.(C). Change all numbering from present #4-present #9 to accommodate #4 above.

e.. To Article XII.C., delete the present Article XII. C. and replace with Home Based Businesses are permitted in all zoning districts if an application for a Special Exception is submitted to and approved by the ZBA subject to specific operating conditions established for each proposed business within the following maximum limits in order to provide reasonable and necessary protection for surrounding property owners. 1. There shall be no changes in the exterior appearance of the buildings which alter the character of the dwelling unit or accessory structure unless specifically approved or required by the Zoning Board of Adjustment. 2. The business shall take place on or from the lot of the resident's dwelling unit unless the ZBA specifically approves the use of an abutting lot owned by the resident. 3. The business shall be conducted in or from the resident's dwelling unit and existing or new accessory buildings, or new structures as approved by the ZBA. New structures constructed for use by the business shall not exceed two stories, and their height, area, design, and appearance shall not alter the character of the neighborhood. In the Residential District the height of new structures shall not exceed that of the residence by a significant amount, and the footprint of the building shall be compatible in scale to the residence. Trailers may not be used for storage or as accessory structures other than a mobile home used as the primary residence. 4. The ZBA may permit up to 6 non-resident employees on site at one time in the Agricultural and Rural District depending on the nature and location of the business. Up to 3 non-resident employees may be permitted on site at one time in the Residential District. 5. Adequate on-site parking shall be provided for all vehicles at or coming to the site. The ZBA may require screening or improvement of sight lines for traffic leaving the site. No on-street parking shall be allowed. 6. The proposed use shall not alter the general character of the property or neighborhood or materially reduce the value of any surrounding property. 7. The use shall not create dust, odor, vibrations, light, sound, or electromagnetic or communications interference which, in the judgment of the ZBA, are excessive outside the premises or have an adverse effect on the environment or any surrounding property. 8. The use shall not result in excessive increases in traffic. No business traffic or heavy equipment activity shall occur before 6: a.m. or after 6:00 p.m. except for situations when trucks are used for snow or ice removal. The Zoning Board may further limit the hours or days of operation to such extent as it deems necessary to prevent adverse effects on the surrounding properties. 9. One truck up to 10,000 lb. GVW, which is used in the business, may be parked on the premises. More than one truck or larger trucks and other equipment may be permitted only if the Zoning Board of Adjustment finds that they will not violate any of the conditions for the proposed use. 10. Outdoor storage of goods, materials, or equipment shall be screened from roads and surrounding properties by natural or structural means or a combination of both to such an extent and in such manner as may be required and approved by the ZBA. 11. There shall be no window displays or other additions or changes made to the property which are normally associated with business or commercial use. 12. Signs shall be permitted for a Home Based Business provided they comply with other applicable sign requirements, except that they may not be illuminated and may not exceed an area of 3 square feet per side. 13. The special Exception shall become void if any significant changes in the business occur, if any conditions of approval of the use are violated, or when the business ceases operation. If the business is proposed to continue following sale or transfer of the property where the business is located, a new application for Special Exception must be approved before continuation of the business use. These changes are inter-related. The Planning Board approves and recommends this article.

3. To see if the Town of Hancock will vote to raise and appropriate up to one hundred sixty-five thousand dollars ($165,000) for the purpose of purchasing a tank truck for the fire department; and , to authorize the issuance of not more than $165,000 of long term notes or bonds in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; or take any other action relating thereto. Selectmen recommend this article. (2/3 ballot vote required)

4. To see if the Town will vote to raise and appropriate the sum of $1,167,542, (one million one hundred sixty-seven thousand five hundred forty two dollars) which represents the operating budget, inclusive of the Water Department operations. Said sum exclusive of all special or individual articles addressed; or take any other action relating thereto.

5.To see if the Town of Hancock will vote to raise and appropriate up to eighty thousand dollars ($80,000) to complete the Kepner Recreation area; and, to authorize the issuance of not more than $80,000 of long term notes or bonds in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; or take any other action relating thereto. This is a non-lapsing article and will not lapse until the project is completed, or in three years, whichever is less. 2/3 ballot vote required. Selectmen recommend this article

6. To see if the Town of Hancock will vote to withdraw the principal and accrued interest in the Kepner Memorial Field Maintenance Trust fund, established at the 1999 town meeting, to be used for the purpose of establishing a recreation area at the Kepner Memorial Field; or take any other action relating thereto. Selectmen recommend this article.

7. To see if the Town of Hancock will vote to raise and appropriate up to forty-five thousand dollars ($45,000) to replace Tannery Hill Bridge; or take any other action relating thereto. This is a non-lapsing article and will not lapse until the project is completed, or in two years, whichever is less. Selectmen recommend this article.

8. To see if the Town of Hancock will vote to raise and appropriate up to five thousand dollars ($5,000) to replace the roof on the old Town Highway barn; or take any other action relating thereto. Selectmen recommend this article.

9. To see if the Town of Hancock will vote to raise and appropriate up to eight thousand two hundred dollars ($8,200) for improvements to the Town Office Building ; or take any other action relating thereto. Selectmen recommend this article.

10. To see if the Town of Hancock will vote to raise and appropriate up to nine thousand dollars ($9,000) to repair the town clock bell cradle; or take any other action relating thereto. Selectmen recommend this article.

11. To see if the Town of Hancock will vote to raise and appropriate up to thirty thousand dollars ($30,000) to do maintenance work to the balance of King's Highway from Old Town Road to Lake Nubanusit; or take any other action relating thereto. This is a non-lapsing article and will not lapse until the project is complete or within two years, whichever is less. Selectmen recommend this article.

12. To see if the Town of Hancock will vote to raise and appropriate up to fifteen thousand dollars ($15,000) to begin implementation of a calcium chloride program for the town highways; or take any other action relating thereto. Selectmen recommend this article.

13. To see if the Town of Hancock will vote to raise and appropriate up to four thousand dollars ($4,000) for the purpose of funding a fireworks display on or about July 4, 2000; or take any other action relating thereto. Selectmen recommend this article.

14. To see if the Town of Hancock will vote to raise and appropriate twelve thousand five hundred dollars ($12,500) for the purchase of forest fire equipment. This is part of a NH Division of Forest and Lands grant in connection with the January 1998 ice storm. The NH Division of Forests and Lands will reimburse the town all costs up to 80% ($10,000). The *net* cost to the town will be two thousand five hundred dollars ($2,500); or take any other action relating thereto. Selectmen recommend this article.

15. To see if the Town of Hancock will vote to raise and appropriate up to $ 1,736.00 for the purpose of repairs and replacement of beach and ballfield equipment; and, to authorize the withdrawal of this sum from the Hancock Recreation Fund (Revenue Fund) established for this purpose at the 1993 Town Meeting to fund this appropriation; or take any other action relating thereto. {No money to be raised by taxation) Selectmen recommend this appropriation.

16. To see if the Town of Hancock will vote to raise and appropriate up to $2,345.00 for the purpose of repairs and replacement of police equipment and authorize the withdrawal from the Hancock Police Equipment Repair/Replacement Fund (Revenue Fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto. {No money to be raised by taxation} Selectmen recommend this appropriation.

17. To see if the Town of Hancock will vote to raise and appropriate up to $1,011.00 for the purpose of purchasing baseball equipment and doing maintenance and repairs to the ballfields; and, authorize the withdrawal from the Hancock Baseball Fund (Revenue Fund) established for this purpose at the 1997 town meeting; or take any other action relating thereto. {No money to be raised by taxation} Selectmen recommend this appropriation.

18. To see if the Town of Hancock will vote to raise and appropriate up to $1,850.00 for the purpose of repairs and replacement of town highway equipment; and, authorize the withdrawal from the Hancock Highway Special Revenue Fund (Revenue Fund) established for this purpose at the 1999 town meeting; or take any other action relating thereto. {No money to be raised by taxation} Selectmen recommend this appropriation.

19. To see if the Town of Hancock will vote to raise and appropriate up to $16,541.00 for the purpose of preservation and storage of the town's archival records; and, authorize the withdrawal from the Hancock History Fund (Revenue Fund), established for this purpose at the1993 town meeting; or take any other action relating thereto. {No money to be raised by taxation} Selectmen recommend this appropriation.

20. To see if the town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New

Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources via the proposed Land and Community Heritage Investment Program (Senate Bill 401). Selectmen recommend this article.

21. To see if the town will vote to deposit 100% with a cap of $10,000 per year, of the revenues collected pursuant to RSA 79-A (the land use change tax) in the conservation fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II. (The land use change tax from property taken out of current use for development or non-conservation purposes). By Petition. Selectmen do not recommend this article.

22. To see if the Town will vote to authorize the Selectmen to accept the reports of auditors and committees as printed in the Town Report; or take any other action relating thereto.

23. To transact any other business that may legally come before said meeting.

Given under our Hands and Seal, this fifteenth day of February, in the year of Our Lord, Two Thousand.

ARTICLE 29. Voted to table resolution regarding investing trust funds with tobacco companies.
ARTICLE 30. Voted to authorize Selectmen to accept reports of auditors and committees as printed in Town Report.

There being no other business, the meeting adjourned at 3:45 P.M.

REPORT OF THE BOARD OF SELECTMEN

1999 has been a year of beginnings, completions, transitions, and planning for the future. We move into 2000 with anticipation and excitement, being stewards of our town's past while preparing for the future.

Completions:

The Pay and Classification study for town employees conducted by the New Hampshire Municipal Association was completed by our board and implemented. Towns of similar size, assessments, and style of government were analyzed to be sure our salaries are fair. Job descriptions were written and each position was classified with a grade 1 to 20. Within each grade 10 steps exist. Some money was budgeted in 1999 to begin implementation. Funds have been allocated in 2000 to complete the process of using this new more equitable system.

Access to the Meetinghouse was completed in November. After years of study and fundraising, the project was completed thanks to the hard work of the joint town and church committees and a very generous final donation. Appreciation goes to all those who reworked schedules and locations during construction, especially the Hancock Preschool and to the Hancock Elementary School who took them in.

The Planning Board working with the Zoning Board and our board completed its several years worth of work on home based businesses and will present amendments to the town meeting which will update the Zoning Ordinance. The Police Department moved into their new quarters in August and held an open house in November. The space is much more conducive to the work they do. The department also completed its study of dispatching service, leading them to switch centers from KMA to Hillsborough Police Department. This should mean better service at a lower cost. The switch does not affect how residents call for an emergency.

Beginnings:

"Hancock Happenings" was born. Thanks to the hard work of Nancy Adams, the Recreation Committee's calendar of events became a popular newsletter. It is now much easier for residents to stay informed.

www.hancocknh.org can now be found on the web thanks to Tom Westheimer and several Conval students. The site is another way for residents to stay informed. We can now be e-mailed at select@hancocknh.org.

Transitions:

Staffing changes throughout the year caused transitions in several departments. Mike Sielicki became the Police Chief in January. Ryan Quimby completed the police academy in June and became a full time certified officer. We welcomed Clark Craig III (Chip) to the Highway Department in May. The town

mourned the loss of Mary Ann Hitchcock, our Children's Librarian, and wished Pat Briggs well on her retirement in December. Marsha Zaccone, the new Director, and Linda Cleff, the Children's Librarian, have been welcomed to their new positions.

In November Fire Chief Lindy Joseph submitted his resignation. He has led the department well and will be missed. The reality of time involved has led the department and our board to look at ways to "lighten the load". The department will be studying the problem and recommending short and long term solutions. Barbara and Wendy in the office will be helping with some of the administrative paperwork items.

Planning for the Future:

During the year we established four committees to deal with areas of concern in town. Volunteer members of these committees have worked hard.

The Y2K Committee planned and organized well. Fortunately, nothing happened when 2000 began, but we were ready then and we are ready in the future for any emergency the town may face. This committee provided us with an opportunity to meet our neighbors and that is always a good thing.

The Recreation Land Use Committee studied recreation needs and space coming up with an excellent plan that will be presented at town meeting this year.

The Parking Committee gathered lots of information and will work during 2000 studying and moving the process ahead.

The Town Office Building and Grounds Committee is studying the needs of our office as well as the grounds around it. They will propose to town meeting this year for work that needs to be done right away, and will present to the 2001 town meeting their complete report.

Thank you, Thank you, Thank you:

This town runs because of our dedicated staff and volunteers. Each and every staff member cares about the town and we owe them all a large amount of appreciation. Our pool of talented and willing volunteers greatly adds to the work accomplished in the town. Thank you. Keep up the good work. You are appreciated.

Board of Selectmen

Neal A. Cass, Chair
Howard M. Mitchell
Laurie Bryan

MS-6
REVISED 1998

STATE OF NEW HAMPSHIRE
DEPARTMENT OF REVENUE ADMINISTRATION
MUNICIPAL SERVICES DIVISION
P.O. BOX 487, CONCORD, NH 03302-0487
(603)271-3397

BUDGET OF THE TOWN/CITY

OF: HANCOCK

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2000 to December 31, 2000

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.

2. Hold at least one public hearing on this budget.

3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the above address.

DATE: Feb 15, 2000

GOVERNING BODY (SELECTMEN)
Please sign in ink.

Mark V. Cross _____

Howard M. Mitchell _____

Lewis Egan _____

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

If you have a line item of appropriations from more than one warrant article, please use the space below to identify the make-up of the the line total for the ensuing year.

Acct. #	Warr. Art. #	Amount	Acct. #	Warr. Art. #	Amount

"SPECIAL WARRANT ARTICLES"

Special warrant articles are defined in RSA 32:3,VI, as appropriations 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriation to a separate fund created pursuant to law, such as capital reserve funds or trust funds; 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article.

1 Acct.#	2 PURPOSE OF APPROPRIATIONS (RSA 32:3,V)	3 WARR. ART.#	4 Appropriations Prior Year As Approved by DRA	5 Actual Expenditures Prior Year	6 APPROPRIATIONS ENSUING FY (RECOMMENDED)	7 APPROPRIATIONS ENSUING FY (NOT RECOMMENDED)

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Hancock
Hancock, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Hancock as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Hancock has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Hancock, as of December 31, 1999, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 23 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Hancock is or will become year 2000 compliant, the Town of Hancock's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Hancock does business are or will become year 2000 compliant.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Hancock taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Hancock. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

LIBRARY TRUSTEES REPORT

A library is an odd business for a town to find itself in. Most of the town's enterprises are practical -- fixing roads and buildings, putting out fires. But a library is about pleasure. One reader delighting in a mystery, or 110 children enraptured by Linda Claff, our new children's librarian, all dressed up as a witch for Halloween as she tells a folktale. We say, soberly, that the library is a service, and tally up the statistics. But more properly the library is a part of what we do that makes up the daily life of this town. Academics call it "civic capital" -- all the traditions, conversations, voluntary effort and care that make life more than bean counting.

In Hancock we are rich in "civic capital". You can see it in all the children enrolled in the summer recreation program, in the volunteers who stage Old Home Day, and staff the library, and in our neighbors who give up evenings and mornings to serve as selectmen.

We can lose track of these riches in the long budget discussions. On those bleary-eyed evenings, we see only expenditures; we see no gain. It is easy enough to appraise what is spent, but to speak of what is gained does not lend itself to a line-by-line analysis.

We have faced loss and gain at the library this year. We were saddened by the loss of two long-time volunteers, Wales Meisinger and Jean Adams. Last winter, Maryann Hitchcock, our dedicated children's librarian, died. Maryann had a strong connection with the children. As so many mothers have told us, she made each child feel welcome. Maryann had a following among some of the young mothers in town. For months after her death, the library's trustees encountered fresh expressions of affection and gratitude for Maryann. In her memory two child-sized benches have been placed in the outdoor sitting area. This seating was her idea. It is a fitting memorial for Maryann Hitchcock -- thoughtful, quiet, and just a little surprising.

In December, Pat Briggs retired after 15 years as library director. Pat feels it is time to do other things. Pat Briggs did nothing less than re-invent the library, making it one of the best in the state. Under her direction, the library tripled in size and circulation more than doubled. She was tireless, putting in long hours. It was usual to go past the library when it was closed and see that Pat was there, catching up, or planning an exhibit or program. Nothing escaped Pat's attention, whether it was a tricky inter-library loan, the health and concerns of the library's 22 volunteers, or the signs that a child might need help. Short space can not do justice to the care Pat Briggs gave to the library.

To follow Pat will, admittedly, be a hard act. We are fortunate to have hired a woman with the skills and experience to lead the library. Marsha Zaccone has worked as a library assistant at New Hampshire Technical college, taught elementary and kindergarten, managed the office at the Pine Hill School, edited weekly and quarterly publications, and evaluated investment portfolios. We have had Pat Brigg's library. In due time and evolution we will have Marsha Zaccone's library.

That's our real ledger sheet. Yes, we kept the furnace in working order, repaired damaged books, and purchased new ones. And along the way -- between revenue and expense, estimate and actual -- Maryann Hitchcock, Pat Briggs, and all the volunteers, brought joy and pleasure to many lives.

Howard Mansfield - Chairman, Library Trustees

HANCOCK TOWN LIBRARY
DIRECTOR'S REPORT

According to the *History of Hancock 1764-1889* by Hayward, "In the early part of 1860 money was raised at a "Levee and otherwise", for the purpose of establishing a public library in town. $50 were appropriated by the town at this meeting, for the purchase of books for the library."

At the end of the 19th century, the trustees reported that after paying $7.01 "For oil, lamp chimneys, wicks, etc.", $100 for "Librarian, services", $18.81 for "Library stove" and $25 for "Trustee's services", and other miscellaneous expenses there was a total of $163.53 in the treasury and there were 3,863 books on the shelves.

Books purchased in 1899 included *Holy Roman Empire* by Bryce, *Insect World* by Weed, *Tramping With Tramps* by Flynt, *End of an Era* by Wise and one titled C*hild Life in Colonial Days* by Earle which still occupies a space on the shelves of the current library. Fourteen books of fiction by M.J. Holmes were purchased which shared a common thread: C*ousin Maude, Daizy Thornton, Edith Lyle, Ethelyn's Mistake, Madeline, Mildred, Queenie Hetherto*n, and *Rose Mather.* A total of $140.39 was spent on books in 1899.

Imagine the shock of those trustees if they could see the library today. It is four times larger, 18,000 books fill the shelves, and unheard of versions of books called books on tape are checked out daily. Videos are available which illuminate and entertain, a copier allows people to take pictures of parts of books with them, and a public access computer opens doors to anything in the world.

The circulation in 1999 was 25,300, the library was open 32 hours a week and 378 books were borrowed from libraries around the state for patrons. Children from the elementary school came to the library every week to hear stories and check out books and the Daniels Room provided a warm, comfortable spot for meetings.

The building, its contents and the personnel have changed since 1899 but the library continues to serve its patrons and respond to their needs. I am very proud to have been a part of the 160 year history of the Hancock Town Library.

A. Patricia Briggs

HANCOCK POLICE DEPARTMENT

The Hancock Police Department since 1998 has gone through some major changes. In 1998, the department went to three full-time officers. Scott Lester was hired to fill the third position. Scott left shortly after being hired to work for the Peterborough Police Department. Then in September 1998, Ed Coughlan retired after 20 years of service for the town. I would like to congratulate Ed for his many years of dedication to the town. That left the police department with only one full-time officer. In November of 1998, Ryan Quimby was hired as the second full-time officer.

Officer Quimby completed the full-time academy in June of this year. Officer Quimby received one of the highest awards presented to a Police Academy graduate, this was the award for being the most motivated recruit during the twelve-week course. Along with this award, Officer Quimby was given the opportunity to attend a full semester of college at the New Hampshire Technical Institute in Concord, which he is currently doing.

I was sworn in as the Police Chief on Saturday, January 18, 1999 at the Town Hall with about 50 residents and family members in attendance. At this time I would like to thank all those that attended, this was a great feeling for myself and my family, it truly made us feel welcomed.

I took over the reins after Sgt. Steve Baldwin had been Acting Chief for several months. Sgt. Baldwin during his tenure as Acting Chief moved the department forward in the proper direction. His duty was difficult with a manpower shortage and having to coordinate coverage with the New Hampshire State Police and the Hillsborough County Sheriff's Department. It was a difficult task for Sgt. Baldwin to accomplish this and provide the type of service the residents of Hancock are used to. I would like to commend Sgt. Baldwin for a job well done.

During the year, the Hancock Police Department applied for and received several grants from the Department of Highway Safety. We applied for and received a grant to conduct DWI patrols within Hancock. The extra patrols resulted in the arrest of three subjects for DWI all of which resulted in them being charged with Possession of Controlled Drugs, two were also charged with Reckless Operation. All three were convicted of these offenses in the Jaffrey District Court.

The second grant was to conduct and establish a Bike Safety program for children in town. This program was kicked off by holding a Bike Safety Rodeo with the help of the local Kiwanis and the Bennington Police. The rodeo consisted of teaching the children how to properly ride their bikes and to use the proper equipment while riding. It also allowed us to purchase twenty-five bike helmets to give out to children that needed new ones or didn't have them to begin with.

The third grant was to establish and conduct a Child Safety Seat inspection program. This program was held at the Hancock Fire Station and consisted of showing citizens how to properly install and use child safety seats in their vehicles. The grant also allowed us to purchase ten new car seats and five new booster seats to loan out to citizens on short or long-term basis.

The total amount of the grants awarded to the Town of Hancock this year from the Highway Safety Department was approximately three thousand dollars ($3000).

The Hancock Police Department also sponsored the Officer Phil program. This program is supported by the local businesses in the area. This program consisted of having someone come in to the Elementary School and conduct a training for the children in a fun and informative way. The program consisted of making children aware of strangers, walking to school safety, not bullying other children, respect and other topics.

We moved into the new Police Department in August and conducted an open house. During the open house, we had approximately 120 citizens attend throughout the day. During the year we also went through the process of changing Communication Centers. We are no longer dispatched by Southwestern Mutual Aid (KMA). We are now dispatched by the Town of Hillsboro.

As you can see, it has been a very busy year for the Police Department. At this time I would like to thank the members of the Highway Department, Fire Department, Town Office personnel, Board of Selectmen and the citizens of Hancock for their support and understanding.

I and the members of the Hancock Police look forward to serving you again this year and to continue to improve the quality of life here in Hancock.

Sincerely,
Michael J. Sielicki
Chief of Police

HANCOCK HIGHWAY DEPARTMENT

The Hancock Highway Department had a very busy year in 1999. The month of January proved to be especially busy with ten winter storms, seven of which were ice storms. February and March brought us back to a more normal winter weather pattern, with 5 storms in February and 4 more storms in March.

The month of April was spent grading our 25 miles of gravel roads as well as sweeping our 25 miles of paved roads. During April we also assisted the Recreation Committee with the infield of the baseball diamond. The month of May was spent finishing the South Elmwood Road project. Also in the month of May, Clarke (Chip) Craig III joined our team as a light equipment operator; Chip and his family live in Antrim.

During June, July and part of August we worked on our summer maintenance program, this effort was concentrated in the Northeast quadrant during 1999. We ditched, replaced culverts, shimmed and sealed approximately 6 miles of paved road. We also ditched and added gravel to approximately 6 miles of gravel road. During the last week of June, the Highway Department replaced the worn out deck on Longview Bridge, this bridge is now safe for all legal loads. This new deck should last us for at least another 10 years or more.

At the end of August, the Highway Department removed the dangerous knoll out on Davenport Road. We were able to improve the width as well as the sight distance, which should make traveling this portion of the road a bit safer for everyone. I would like to thank Mr. Jim Davenport for his patience and understanding as this project was going on. Without Jim's willingness to move his driveway this project would have been a lot more difficult. In September we also installed under drains on the East side of Antrim Road, from Old Bennington Road to the top of the hill.

During the rest of September and October, we started getting ready for winter. We piled our winter sand, got our plows and sanders ready and then graded and added gravel to our gravel roads. We also made some improvements to the Dump Road and built a windbreak for the attendants in the recycling building.

In November we assisted the Fire Department with the installation of 1 new dry hydrant on South Elmwood Road, and repaired an existing dry hydrant at the Sargent Camp. We also finished the end of Old Antrim Road by the Jarest property. Weather-wise November was pretty quiet; we saw our first taste of winter on November 30th when we all woke up to a 4-inch "flurry".

December saw only three minor weather events, pretty quiet by New England standards. We took this opportunity to finish the roof over our sanders and undertake a cleaning and organizing project for the Town Barn. We also finished our brush cutting on Reaveley Road, and started brush cutting on Longview Road.

If at any time we can be of assistance to you, please feel free to contact the Highway Department at 525-4087.

I would like to thank the Board of Selectmen for their guidance, the Police and Fire Departments for their assistance, the citizens for their support and the Highway Department Crew (Albert, Roger, Allen and Chip) for their dedicated service to the citizens of Hancock.

Respectfully Submitted,
Kurtis J. Grassett

HANCOCK FIRE DEPARTMENT

The year 1999 has set a record for the number of calls responded to, with 143 total responses (84 rescue, 59 fire and mutual aid). These statistics make this the busiest year in the department's history. A total of 1,414 hours were spent on these calls.

Members continue training, completing a total of 890.5 hours in firefighting and rescue training. Seventeen firefighters also completed an additional 31 hours each in a combined pumps and water supply course. We thank all of them and their families for the time they gave to this training.

Pierre Chabot resigned in September - we thank him for the many hours he contributed to the department and to the town through the years.

We welcome our newest member, Steve David.

Chief Joseph resigned his appointment and took a leave of absence due to time constraints with both his family and business. We especially thank him for his dedicated leadership and look forward to him rejoining us if time permits.

We would like to thank the Ladies Auxiliary, the Highway Department, the Police Department, Barbara and Wendy at the Town Office, and the Board of Selectmen for all of their assistance.

Finally, we would like to thank all the residents of Hancock for your continuing support.

Respectfully submitted,

Michael Cass, First Assistant Chief
Philip Mathewson, Second Assistant Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of the 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

HANCOCK WATER WORKS

ANNUAL REPORT - 1999

The year 1999 was notable for the extremely dry weather conditions during late Spring and Summer, putting substantial pressure on the water system and Juggernaut Pond. At times during that period the flow rate was three times our normal annual rate and twice our normal summer rate, which caused concern regarding Juggernaut's capacity to withstand sustained flow rates that high. The commissioners issued a request to users in June to use restraint in outdoor watering practices. The voluntary response was a gratifying reduction in usage of approximately 50,000 gallons per day, bringing the usage rate to a more normal summertime rate. We saw a larger drop in the water level at Juggernaut by the end of the summer than we had ever seen previously, however there was still 9 ft. of water over the intake screen which is ample supply (normal is 13 ft. when pond is full). The commissioners would like to thank all who made efforts toward conserving water during that period, it was very helpful.

In October we issued the first of an annual Water Quality Report, providing users with information on the water system and its safety. This report is mandated by EPA and will be issued with the July billing each year beginning in year 2000.

The technical problems associated with the mill pond bypass have been resolved with the aid of the Highway Dept., so that project is scheduled to be completed in the year 2000. The cost for that work, (estimated at $40,000), will appear in this coming year's budget under special projects. The funds for the project will be taken from accumulated reserves and will not impact water rates.

The treatment systems continue to work well, and give us excellent test results.

Water Commissioners

Robert Fogg
Robert Keil
Richard Quinn

HANCOCK DUMP COMMITTEE

The Hancock Dump Committee saw a few changes during 1999. One of the biggest changes was in the way we are recycling our glass products. We no longer ship our glass to outside vendors, instead we are using the crushed glass at the Highway Department as bedding for under drains. This has enabled us to reduce the number of employees from 3 to 2, which has had a new result of decreasing the proposed budget for 2000. Cathy and Bud deserve a lot of credit for making this new process work smoothly and effectively. They make a great team, and we all appreciate the effort they put into our recycling center.

Recycling in 1999 continued with the same enthusiasm as in the past. Our recycling rate was approximately 35% of all waste coming into the Transfer Station. We are currently recycling: Glass Products, Milk Jugs, #2 Colored Plastics, #1 Plastics, Newspapers, Magazines, Aluminum Cans, Tin Cans, Cardboard, Mixed Paper, and Scrap Iron. We are starting to see fewer vendors that will take our recyclables in the manner that we recycle, so our committee is investigating other possible ways to recycle that will allow us to continue our recycling effort. Any major changes would be discussed at public hearings over the next year.

Special thanks go out to Barbara Caverly, Wendy Brennan, the Highway Department, and the dedicated staff of the Transfer Station who make our trash such a pleasant and friendly visit.

Respectfully Submitted,

HANCOCK DUMP COMMITTEE

WELFARE OFFICER'S REPORT

This year $6,892.00 was expended for welfare on behalf of qualified applicants. This represents an increase in the level of assistance requested. The major categories continue to be housing, food and fuel.

Thank you to the individuals, organizations and other donors who have given so generously to the Hancock Helping Hands Fund during the year. The fund expended $9,400.00 to help Hancock residents with food, rent, fuel oil, repairs, Christmas gifts, medication, and other expenses. Our community continues to be a place of caring.

Respectfully submitted,
Wendy R. Brennan

HANCOCK PLANNING BOARD

The Planning Board spent many hours working on a new ordinance to clarify and regulate home occupations and home based businesses in Hancock. We had four joint meetings with the ZBA that we felt were very successful. This was the first time the two boards worked together on a proposed ordinance. We greatly appreciated their valuable input.

We held two public hearings on the proposed home occupation and home based business ordinance and thank all of you who attended the hearings and offered suggestions, many of which were incorporated in the proposed ordinance.

A hearing will be held on February 2, 2000, to present the final version to the town. We ask for your support and confidence in the Hancock Planning Board, the Selectmen, and the ZBA, who all worked very hard to present an ordinance that would protect homeowners and at the same time allow businesses to operate under better guidelines. We hope you vote "yes" on March 14th.

Although most of our time was spent working on writing the new zoning ordinance, we held two boundary line adjustment hearings, two voluntary merger hearings, and four preliminary hearings.

Thank you for your input and support.

Jan Ford, Chair
Carolyn Boland, Secretary
Meade Cadot
Jack Carlson
Doug Bowen
Jon Grosjean
Stephen Fillebrown

Jack Roper

HANCOCK ZONING BOARD OF ADJUSTMENT

The Zoning Board was busier this year than in recent years. Members met with the Planning Board regarding proposed changes to the Zoning Ordinance. The Board also held hearings for two special exceptions for guest cottages, one for a home occupation, one for a day care, and two appeals from an administrative decision. The Zoning Board meets, as needed, on the second and fourth Wednesdays of the month, to hear requests for special exceptions, variances, and appeals from administrative decisions. Applications for these and copies of the Hancock Zoning Ordinance can be obtained at the Selectmen's Office.

CEMETERY TRUSTEES REPORT

The Hancock Cemetery Trustees worked diligently this year to prepare the town's cemeteries and ledgers for the next century. Cemetery Rules and Regulations were revised and reprinted. The fee schedule was updated to bring it into line with other area cemeteries. Copies of the regulations and fees are available at the town office or from Sexton Kurt Grassett.

On an ongoing basis, we continue to improve the appearance of the town's cemeteries and make needed repairs to monuments and entry gates. Additional plantings were done at Hillside Cemetery, the gate at the far end of Pine Ridge Cemetery was repaired and several headstones were repaired or straightened.

Mylar maps of all three cemeteries have been completed and will be updated by the sexton periodically.

Trustees have held several ongoing discussions with Dick and Eleanor Amidon concerning their offer to donate an approximately three-quarter acre parcel of land adjacent to Hillside Cemetery. After a tour of the wooded area in November, we felt the area would be well-suited for an ash burial site in the future, should it become available to the town.

Looking ahead, we anticipate the need for additional land for another cemetery in perhaps 10-12 years. Anyone wishing to consider the donation or sale of land for such a purpose is encouraged to contact the cemetery trustees for further discussion.

As always, memorial donations or plantings are encouraged; please contact the cemetery trustees for further information.

Respectfully Submitted,
Hancock Cemetery Trustees
Priscilla Richardson, Chairperson
Terry Jarest
Nancy P. Adams
Kurt Grassett, Sexton

RECREATION COMMITTEE

The Hancock Recreation Committee continued to enhance the recreational quality of life for the residents of Hancock. During 1999 we sponsored many events and programs including: the Winter Frolics Weekend, the Summer Concert Series (7 concerts were held at the bandstand on Thursday evenings), bus trips (to Riverdance, Disney on Ice, UNH Hockey, Whale Watch, Nutcracker, and the Ringling Bros. Circus), the summer recreation program (over 70 children attending an 8 week program), the Town Beach and swimming lesson program, Tuesday's Men's basketball, 12 week road race series, Ecology Awareness Club, art lessons, ice skating rink, startup of the Hancock Happenings Newsletter(450 copies printed monthly), 1st Annual New Year's Celebration and the youth baseball program.

We look forward to the year 2000 and beyond to implement more programs including, fly tying classes, Spanish lessons, aerobics/exercise classes, dance classes and many more.

The committee looks to the townspeople to give input to help us plan for the future. Please contact a committee member if you have any ideas or would like to help with a specific project.

Also a special thank you to the many "friends" of the committee who have volunteered many hours of their time to support our cause. They include: Martha Blanchette (bus trips), Nancy Adams (editor), Pat Newcomb, Lynne Way and Elinor Johnson (collating and distribution) Hancock Happenings Newsletter, Crystal Blanchette (winter frolics), Dick Ray (baseball chairman), Jeff Wilder, Nevan Cassidy, Kurt Grassett, Harold McPherson, Pete Ketchum, Charlie Ingalls, Adam Blanchette, Joanne Blaine, Rick Fecowicz, and many others. Also special thanks to retired members Dan Harper (baseball chairman), Tom Gloudemans and Donna Geer.

COMMON COMMISSION

The Commission has responsibility for several different "spots" that are centered on the common with its bandstand and include the flags and halyards of the main flagpole and the ballfield flagpole. The fountain and its basin and garden, the area behind the church both in front and also behind the horsesheds have also been assigned to us.

Kurt Grassett and his crew are essential to the process of setting up and taking down the fountain. In 1999, they increased their mowing responsibilities - the ballfield, the field in front of the Town Offices, and the hill field above the pond. They also did a proper leaf pickup in the fall. We have proposed to the Selectmen that Kurt also mow the areas that we are responsible for so the maintenance of the mowing equipment is not divided.

The fountain basin got a patchup in the spring, but at some point, the base floor and pedestal should be rebuilt. A proposal has been given to the Selectmen to do this and also sandblast and reseal the fountain itself.

We say thank you, as we are are sure you do, to the Vollners who maintain the fountain garden, and others who keep flowers in the horse trough, pick up trash, and set up the Christmas tree on the bandstand.

Jack Carlson Ed Coughlan Paul Williams Commissioners

SLUDGE COMMITTEE

As reported in the annual report year ending December 31, 1998, the sludge committee was waiting for approval of Department of Environmental Services (DES) Rules Env-Ws 800 Sludge Management and Env-Ws 1600 Septage Management before proceeding with the development of a town ordinance that would control the distribution of this material. The Rules were adopted on 5/4/99 by the Joint Legislative Committee on Administrative Rules, and the sludge committee met to begin development of a town ordinance that complies with Env-Ws800 / 1600 and would contain further restrictions necessary to assure the safety of the town. On 8/30/99, the Sludge Committee discovered that a Sludge Management Advisory Committee had been established and authorized to rewrite the newly adopted DES Rules to make them more restrictive. A Sludge Committee meeting was held on 9/9/99 to discuss the impact of the new Advisory Committee. It was decided to put development of a town ordinance on hold until DES issues new versions of Env-Ws 800/1600. The decision to stop work on the town ordinance and to continue the Hancock moratorium, for the distribution of sludge during the year 2000, was presented to and approved by the Selectpersons on 9/28/99.

EMERGENCY MANAGEMENT--Y2K

In March a Hancock Y2K committee was formed with three goals:

To inform Hancock citizens regarding preparations to care for themselves in case of Y2K problems.

To plan and coordinate Hancock activities to provide for the well-being of Hancock citizens relevant to Y2K issues.

To cooperate with neighboring communities in preparing for Y2K problems.

Harv Ames, Mary Catherine Bateson, Jan Caskey, Bruce Dechert, Butch Latti, and Gil Malnati volunteered to serve on this committee.

To accomplish the first goal, the committee developed information sheets on household preparedness, Y2K information, medical devices, fuel storage and generator safety and distributed Red Cross material at several sites in town, on Old Home Day and at general meetings for Hancock citizens. Information regarding emergency plans was mailed to each household in Hancock.

To accomplish the second goal, 56 Hancock citizens volunteered to organize their neighborhoods. Neighborhood meetings were held, information shared and plans developed to aide each other in case of any disaster. The Y2K committee met with the selectpersons and Hancock Department Heads to coordinate plans to update the Town Emergency Management Plan. Committee members attended a Red Cross training session on opening a town shelter and proceeded to make preparations with Boston Sargent Camp. The camp also donated a generator to the town office in case of an emergency.

To accomplish the third goal, members of the committee attended biweekly meetings of the regional Y2K committee where information and ideas were shared. Regional resources were identified on maps which were distributed to each town in the region. Emergency managers from regional towns held two meetings to share information and compare notes.

Although there were no serious Y2K problems, I believe that the town efforts were important because:

*Individuals are better educated and prepared for any emergency that may occur.

*Neighbors met, socialized and shared information and made plans to help each other whenever the need arises.

*Town emergency plans were updated.

*Contacts were made with neighboring towns and needed resources were identified.

*We are a more connected and cooperative community.

Donald C. Briggs
Emergency Management Coordinator

Town Office Building & Grounds Committee Report

In the summer of 1999 the board of selectmen appointed a committee to study the town office building and grounds. Members of the committee are: Wendy Brennan, Laurie Bryan, Jack Carlson, Kurt Grassett, Fran Hillner, Rob Huntley and Jack Roper. The task given to the committee was to:

* Review and make recommendations on the physical condition of the building
* Address the problems of building accessibility
* Assess internal space needs
* Determine how to meet technological needs - networking, phone system, etc.
* Develop a plan for parking and landscaping of lands surrounding the building
* Provide cost estimates and a timeline for implementing the improvements.

The committee has begun by assessing the heating, electrical and air quality problems in the building. The recommendations are as follows:

- Heating System : Replace the control valves which regulate the various heating zones throughout the building. Cost - $ 700
- Electrical System : A load assessment needs to be completed. Initially 2 new breaker panels need to be installed which will accommodate 40 circuits per panel. 3 new meters need to be installed - 1 for the police station, 1 for the town office building and 1 for the hot water heater. Balancing out the electrical load will begin with the first floor main office and will be included in this year's electrical work. Cost - $5,000
- Air Quality Assessment and Recommendations: We have an air quality problem in the basement and first floor of the building. An air quality assessment with recommendations will provide the town with information to develop a plan to correct air problems. Cost - $500
- Drawing plans for internal and external changes to the building. The drawings for access and interior changes are needed so we can present the proposed changes to the town and have drawings to work from while completing the job. Cost - $2000

Total Cost: $8,200

Completing these improvements will make the building more efficient and safe. Improving the air quality in the basement will allow us to utilize this space for public meetings and will improve the air throughout the building. This is the first phase of the building improvement plan. The committee is planning on developing access and internal plans in the coming months and will bring these designs to town hearings during the summer of 2000. Once we have gained public input, costs will be estimated and a proposal for a comprehensive building and grounds plan will be presented at the March 2001 meeting.

MAIN STREET PARKING COMMITTEE

In October1999, the Selectmen appointed this committee to develop recommendations about: (1), type and amount of parking on Main Street, (2), the walking paths along both sides of Main Street, and, (3), parking along Route 137 during events at the school, ballfield and fire house.

The committee met four times between 10/15/99 and 12/10/99. Citizen input was obtained via articles in Hancock Happenings and Monadnock Ledger, and a survey which produced 221 responses from Hancock residents. Committee members also consulted with Road Agent Kurt Grassett, Police Chief Mike Sielicki, Town Attorney Tom Mullins, and Historic District Commission representative Irene Moore.

Strong sentiments emerged in favor of preserving the rural character and charm of the village. Equally strong views were expressed regarding issues of safety for pedestrians and cars. The town needs to find the right balance between these two sometimes conflicting needs.

On 12/14/99, the committee submitted a list of recommendations to the Selectmen, summarized as follows:

1. Main Street Parking Recommendations:
 * Begin diagonal parking on South side of Main Street.
 * Lower speed limit on Main Street to 25 MPH.
 * Encourage greater use of the existing parking lots behind the market and cafe.
 * Encourage greater use of meeting rooms at the Town Office Building and the Elementary School (where off-street parking is available).

2. Route 137 Recommendations
 * Allow parking only on the West (pond) side of Route 137.
 * Explore feasibility of a wider shoulder for parking, or an off-street parking area along the West(pond) side of Route 137.

3. Recommendations About Pedestrian Issues:
 * Provide crosswalks on Main Street at the intersection with School Street, and from the Cafe to the Library.
 * Arrange for snow removal along the North side of Main Street from the Post Office to School Street, and along the South side of Main Street from the Video Store to the Forest House apartments.

These recommendations, and other ideas, require further consideration by the town. Some changes cost money and would need Town Meeting approval. Some changes must balance the needs and rights of individual property owners along Main Street with those of others who use Main Street in vehicles and on foot. Safety concerns and aesthetic concerns must both be addressed. Any changes must be coordinated with the work of other committees looking at the town common, ballfield and recreation lands. An architect may need to be hired to develop more detailed options. A public hearing might then consider the options in greater depth.

Respectfully Submitted,

Paul Corcoran, Chair Jack Roper Bob Johnson

Tammy Garre Bettie Zakon-Anderson
